COOSTERS

Our chicken products are made with 100% chicken breast meat, because anything less just isn't good enough.

At Coosters, we pride ourselves in using the highest quality ingredients for our products because we are passionate about quality food.

Our coatings have been carefully researched and selected for each product range – from our hot & spicy 'Kick'n' range to our 'Crunchy Rocky Bites' in a light crispy batter.

All are pre-cooked and frozen, therefore minimal preparation time is required. Heat from frozen and Coosters will go from pack to plate in minutes!

The Heart-Healthy Option

As well as a source of protein, the Coosters coated range can be considered the '**Heart-Healthy**' option!

Coosters are produced using Soya Bean Oil – compared to other coated cooked chicken products within the market, which are cooked in Palm Oil.

Soya Bean Oil contains **less saturated fatty acids** than that of palm oil.

Soya Bean Oil is also a source of **Vitamin E** and **Vitamin K!**
